Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

JUST LOOK 'N LEARN ENGLISH PICTURE DICTIONARY

McGraw-Hill Education - Europe. Hardback. Book Condition: new. BRAND NEW, Just Look 'n Learn English Picture Dictionary, Daniel J. Hochstatter, Charming characters and easy-to-understand contextual sentences add up to foreign language dictionaries that children will adore! The Just Look 'n Learn Picture Dictionary series can be used as a way to build the language skills of children ages seven through twelve, or as home reinforcement of school learning for students grades three through six. Each book defines and illustrates more than 1,500 commonly taught words in the language. Accompanied by colorful and fun illustrations, each entry begins with a headword given in English, followed by its translation and example sentences in both languages all to make the meaning of each word perfectly clear. Also, these dictionaries aid learning of numbers, days of the week, directions, and telling time in the new language. Both adults and children will find that this series makes language learning easy and enjoyable.
