

Why New Orleans Matters

Filesize: 1.04 MB

Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

WHY NEW ORLEANS MATTERS

DOWNLOAD

HarperCollins Publishers Inc. Hardback. Book Condition: new. BRAND NEW, Why New Orleans Matters, Tom Piazza, Every place has its history. But what is it about New Orleans that makes it more than just the sum of the events that have happened there? What is it about the spirit of the people who live there that could produce a music, a cuisine, an architecture, a total environment, the mere mention of which can bring a smile to the face of someone who has never even set foot there? What is the meaning of a place like that, and what is lost if it is lost? The winds of Hurricane Katrina, and the national disaster that followed, brought with them a moment of shared cultural awareness: Thousands were killed and many more displaced; promises were made, forgotten, and renewed; the city of New Orleans was engulfed by floodwaters of biblical proportions--all in a wrenching drama that captured international attention. Yet the passing of that moment has left too many questions. What will become of New Orleans in the months and years to come? What of its people, who fled the city on a rising tide of panic, trading all they knew and loved for a dim hope of shelter and rest? And, ultimately, what do those people and their city mean to America and the world? In "Why New Orleans Matters," award-winning author and New Orleans resident Tom Piazza illuminates the storied culture and uncertain future of this great and most neglected of American cities. With wisdom and affection, he explores the hidden contours of familiar traditions like Mardi Gras and Jazz Fest, and evokes the sensory rapture of the city that gave us jazz music and Creole cooking. He writes, too, of the city's deep undercurrents of corruption, racism, and injustice,...
