Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 218 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Something is wrong. Everyone feels it. Organization after organization is found losing its focus, identity and stability, which results in the blame game disrupting productive effort. The **CORPORATE SIN** is leadership that is leaderless and workers who are dissonant. When that happens, those in charge are reduced to corporate speak, which is designated here as corpocracy. Instead of embracing problems, they are dispatched with infallible authority in business as usual practices no matter how counterproductive. We saw this in the aftermath of the British Petroleum oilrig explosion and subsequent Gulf of Mexico oil pollution of the gulf coastline. We saw it in the aftermath of the real estate meltdown and Wall Street collapse in 2008. And we have seen it in the aftermath of the Federal bailout of the automotive industry. Whatever the enterprise or industry, corporate offenders seem unwilling or unable to learn from these near catastrophes, or to demonstrate humility and modify business practices to avoid possible calamities in the future. We see this among professionals who consider personality and making an impression more important than performance as looking good takes precedence over doing good in the scheme of things, and who display their angst in counterproductive passive behaviors. We see **CORPORATE SIN** in a system that is more interested in workers being polite, obedient, punctual, reactive, and safe hirers than aggressive creative, confrontational and self-directed thinkers. Now when thinking is equally or more important than doing, denied this opportunity to exercise their mind and will, many workers have retreated into dissonance. The **CORPORATE SIN** of twentieth century management has been to create a legacy of a workforce mainly passive and reactive with management...
