NATURAL REMEDIES QUICK REFERENCE GUIDE: REGAIN BACK YOUR GOOD HEALTH

Outskirts Press, United States, 2014. Paperback. Book Condition: New. 295 x 208 mm. Language: English . Brand New Book ***** Print on Demand *****.The public has become greatly puzzled regarding the increase episodes of disease despite increase technology. Millions of dollars are spent yearly in research attempting to discover new cures for disease without success. Still millions more are spent on health insurance and EMS services. New drugs are being produced yearly to control disease with no success. The conclusion is that medicinal drugs never cure disease, but simply camouflage the symptoms for it to only reappear at a future date. Many have died from the use of medicinal drugs, yet many are suffering from the side effects that these drugs produce. Nature is constantly attempting to rid the body of accumulated toxins; the use of drugs inhibits the system from ridding itself of impurities. The general public needs to be educated regarding the change of lifestyle for the cure of disease. In this article we will explore some alternate ways of dealing with disease. It is an amazing fact that, with the help of God, the body can heal itself. It is normal for a person to be well, eat the right food in the proper amount, and have the energy to work hard. The body has natural built-in ways to process the food into the needed energy. But when that individual becomes ill, the body also has natural built-in ways to produce healing. When disease strikes, the regular functions of the system are temporarily set aside and the body goes to work to regenerate itself. The body, in time of illness does not use energy for food digestion and muscular activity, it switches over to, repair, and rebuilding, cleansing. Illness causes the organs of the system to become...
