## THE KING OF SCHNORRERS - THE ORIGINAL CLASSIC EDITION

Emergo Classics, Australia, 2012. Paperback. Book Condition: New. 244 x 188 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is beautiful. Not beautiful like lovely writing in particular, though certainly israel zangwill wrote well, but beautiful in intricacy and fun and a level of cleverness so profound it boggles the mind. I suspect that the king of the schnorrers impact on later jewish humorists has been vastly understated. I am thinking particularly of groucho marx (who had a brilliant career more or less playing a sort of comic version of our main character here), but also through him a passage to people like woody allen (um, are there people like woody allen?) and jerry seinfeld, lenny bruce, sarah silverman. Indeed while this book is deeply concerned in its way with the particularities of the jewish communities of 19th century london and with jewish law it is a highly secular and universal work of humor and a brilliant satire of the malleability of religious law (and, in its way then, law, custom and social compacts in general). In this way it bridges a gap from, say, a sholem aleichem to, well, the urban american jewish humor that has had such a profound influence on our culture. But beyond the satirical brilliance and nuance of this book i would like to commend it as simply enormously fun and readable. Its social vision is sophisticated and strangely contemporary and it is funny. Our main character is enormous, ridiculous, ferocious and fascinating, someone you sort of root for in a state of horror, but i love how he is not invincible, and the person to whom he is vulnerable (if you can call it that, probably it is all part of da costas (our heros) plans) expresses for me...
