

Newspaper Editing: A Manual for Editors, Copyreaders, and Students of Newspaper Desk Work

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

NEWSPAPER EDITING: A MANUAL FOR EDITORS, COPYREADERS, AND STUDENTS OF NEWSPAPER DESK WORK

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE This book has been prepared as a manual for newspaper desk men and a textbook for editing classes in the schools of journalism. Although a number of good handbooks on journalism have appeared in the past few years, the writers of such books have been so interested in the needs of the reporter that they have rather generally neglected the copyreader: - a man of even greater responsibilities. It is to fill this need - a need that has been impressed upon the author by five years experience as teacher of journalism - that this book was written. And, just as in his Newspaper Reporting and Correspondence, published three years ago, the author has not tried to cover the entire field of newspaper work, but has confined himself to the particular branch. The intent of the book is not only to present the tools and methods of the copy editor but to show, as well, the interesting possibilities in his work. Too many newspaper men, especially reporters, regard desk work as unimaginative drudgery and feel that to be placed on the desk is to be pushed back out of the firing line. To counteract such a feeling is sufficient reason for the writing of a book. Desk work, when done in the proper spirit, is as interesting and constructive as any other branch of newspaper work; in fact, from many points of view, it is the most fascinating. But to realize its full possibilities, the desk man must look beyond mere copy- reading and heading up. To this end, many subjects have been introduced into this book which may seem, at first glance, somewhat outside...
