Yet the bare outlines of a portrait often impress the characteristic features more vividly than color and detail. The history of the Germans in this country goes back to the earliest colonial period. Recurrent waves in the eighteenth were followed by great tides of German immigration in the nineteenth century, and these carried into the population of the United States an element second in amount only to the contribution of the English stock. The year 1492 has generally been set down as the beginning of American history. Better were the selection of the date 1453, for in the taking of Constantinople by the Turks we find the causation of the discovery of America. The Turks took possession of all the passageways to the Orient, and thereby barred Europe from the profitable trade with the Far East. Immediately there arose the quest of a new passage to India, and this great aim lay at the root of all subsequent voyages of discovery. Vienna battled on land, Venice and Genoa on the sea, against the invasion of Central Europe by the Turks, while Western Europe was free to engage in exploration for a western, northwestern and southeastern route to India. Subsequently Central Europe was stirred to the depths by the Protestant Reformation; in the seventeenth century it was devastated by religious wars, the destructiveness of which was without parallel in history. In the meantime the Western European nations, those bordering on the Atlantic seacoast, grasped their opportunity. Spain and Portugal founded an empire...
