## Crs Report for Congress: The Role of Trade Secrets in Innovation Policy: August 31, 2010 - R41391

By John R Thomas

Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Many businesses have developed proprietary information that provides a competitive advantage because it is not known to others. As the United States continues its shift to a knowledge- and service-based economy, the strength and competitiveness of domestic firms increasingly depends upon their know-how and intangible assets. Trade secrets are the form of intellectual property that protects this sort of confidential information. Trade secret law protects secret, valuable business information from misappropriation by others. Subject matter ranging from marketing data to manufacturing know-how may be protected under the trade secret laws. Trade secret status is not limited to a fixed number of years, but endures so long as the information is valuable and maintained as a secret. A trade secret is misappropriated when it has been obtained through the abuse of a confidential relationship or improper means of acquisition. A number of competing innovation policy concerns help shape the particular doctrines that comprise trade secret law. The availability of legal protection for trade secrets potentially promotes innovation, encourages firms to invest in employee development, and confirms standards of commercial...
