This person, that sees human aura, could tell a person if the body is healthy, ill, or feeling negative. They can identify it by the color of the aura you emit. Those people say, an aura is like a glowing light around a person, and mostly consisting of one or sometimes several colors. An aura is an energy system found in every living organism on earth that reflects the electromagnetic energy that propels the universe, which governed by its laws. Many years of research have shown with considerable certainty the relationship between aura and electromagnetic energy. However, some say that, the light of an aura where generated by spinning currents of energy, which is called by many names in different religious traditions, but is more popularly called chakra . Chakra, by...
