Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.More bold mandalas? They're here! Another 50 different mandalas. Bold lines. Three levels of detail: Basic, Intermediate, and Elegant. You won't need reading glasses. These are coloring pages you can see, even in low-light conditions. Hate tiny designs and skinny lines? Coloring when you're a passenger in the car or on a flight? These 50 bold, simple mandalas will help relax you, day and night. Each of these 50 designs is unique, and printed on one side of the page. (The back of each page is blank so marker ink won't bleed through.) These mandalas began as sketches, and then heavier lines were added. So, they won't be as pristine, sterile, and perfect as computer-generated mandalas. If organic designs are more your style, we think you'll like these easy-to-see mandalas. At the back of the book, you'll find tips to make these mandalas more ornate and complex, if you like. These coloring pages are also ideal for special ed classes, senior citizen activities, and art therapy.
