

Making the Most of Supervision in Health and Social Care: A Self-development Manual for Supervisees

By Jacky Knapman, Tony Morrison

Pavilion Publishing and Media Ltd. Spiral bound. Book Condition: new. BRAND NEW, Making the Most of Supervision in Health and Social Care: A Self-development Manual for Supervisees, Jacky Knapman, Tony Morrison, This handbook is designed to help supervisees understand the process of clinical supervision sessions. The text ensures that supervisees are as prepared for and informed about supervision as their supervisors, and stresses the importance of a partnership approach. Making the Most of Supervision presents ideas and information from a different perspective to most other titles on supervision, is an ideal complement to Pavilion's bestselling Staff Supervision in Social Care and is to be used in conjunction with Strength to Strength.
