Brand New Book ***** Print on Demand *****.Excerpt from Give the Grape It Rightful Food Place: Put This Valuable Fruit Where It Belongs in the Homes of the Nation Fortunately for man, the grape, despite the fact that nation-wide prohibition has deprived it of what formerly was looked upon as its chief purpose in life, now comes into its proper place as one of the best of food friends, without guile and above reproach. And this in a country where grapes have grown since the memory of man runneth not to the contrary, and where, of later years, their widespread intensive cultivation has constituted an industry of vast proportions; where the grape, long misunderstood by temperance enthusiasts, may at last stand vindicated on its own merits. Long years before Christopher Columbus gazed in wonder at the dim light which yet was to glow into a flaming torch of freedom, the hardy Norsemen who had braved the wild Atlantic and become more or less familiar with these shores, called this country Vineland, because of the great abundance of wild grapes they found here.
