iUniverse, United States, 2007. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Randall Hayes Russ was born April 29, 1959. It wasn't until he was two months old that his parents found out he was special, that he had Down Syndrome. In 1959, little was known about Down Syndrome. His parents doctors recommended they put him in an institution, forget about him, and try to have another baby. They were devastated but resolved to prove the doctors wrong. In this poignant narrative, a family recounts the memorable stories of life with Randy: Stories of triumph, stories of sorrow, stories of learning, and stories of Love. With his parents dedication and persistence, Randy would defy the experts. He challenged us to teach him and in the process became our teacher.
