PERSONALITY PREDICTORS Will Provide you with a pathway to Understanding Your Inner self and Relating to Others. This Book is a Guide and the Key to Empowering Yourself and Controlling Your Destiny In the World there are only 7 Personality Types that are present in all cultures and ethnicities. You can quickly learn to analyze anyones personality through initial observation and be able to predict an individuals personality with some degree of confidence after reading this book by studying the patterns that repeat themselves across all humanity, With the assistance of the illustrations and caricatures of each type to guide you, you can master the art of observation. Personality Predictors is an innovative technique and effective method that is more accurate and comprehensive than astrology, horoscopes or body language for determining Personality Types. This system will enable you to learn to identify and predict character traits and temperament by Observation of the combination of body types and facial features This book provides you with illustrations, photos, caricatures, and easily recognizable current examples of the 7 Personality Types to help identify each of them as well as chapters related to Newsworthy individuals you may know. The Personality Predictor system was derived from the ancient historical study of Physiognomy which evolved over centuries. Genetics determine the structure of your character traits from birth. You are an echo of the generations before you. All human development is determined by nature and our ancestral record. Neuroscience and recent studies have reinforced that we are a product of our genetics. It is in our DNA. Open the door to better understanding and discovery of who you are, focusing on your uniqueness so you can govern your...
