Dinkelspiel says: Constipation is a most potent cause; and it must be cured, the defecations being so arranged that they occur at night, as the subsequent rest relieves engorgement. Locally, cleanliness is of primary importance; the parts should be washed with witchhazel solution, of which 1 or 2 ounces may also be injected into the rectum. Of late he uses the bismuth iodoresorcin-sulphonate suppositories (anusol), which relieve the congestion and inflammation and liquefy the feces. When there also exists external inflammation, he slightly warms a suppository and gently, anoints the parts. Under this treatment he has seen many cases recover without recurrence. The System You Will Eventually Learn. The original Swedish (Ling) system of massage is the system which has been adopted in Germany, Austria, France and England as the standard...
