Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE DISFRANCHISEMENT OF THE NEGRO

Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.The Disfranchisement of the Negro - A Constitution formed so as to enable a party to overrule its very government, and to overpower the people too, answers the purpose neither of government nor of freedom - Edmund Burke - The assault, under the forms of law, which is being made upon the political rights of the Negro is the symptom of an animus which has its roots imbedded in the past. It does not mark a revival, but rather the supreme desperate effort of the spirit of tyranny to compass the political subjection and consequent social degradation of the black man. Its provocation does not consist in any abnormal or perilous condition in southern communities arising from a numerical preponderance of Negroes. It is not made to meet a merely temporary emergency with the intent to return to the principles of republican government upon the advent of intelligence and wealth to the Negro. Indeed, the very intent and purpose of the assault is to prevent such an advent, in so far as human ingenuity and tyrannical violence can do so. It can not find its justification in a necessity of averting by radical measures any imagined perils to social order which might arise from the political domination of ignorance; for the spirit which prompts the assault has ever fostered ignorance and endeavored to perpetuate it. In fact, the assault is so iniquitous in its conception and is being executed with such wicked and violent disregard of political morals and human rights, as by comparison to render almost beneficent the realization of the perils which the imagination of the assailants pretends to fancy. There may be those who see...
