RESIN POEMS

DOWNLOAD

Louisiana State Univ Pr. Paperback. Book Condition: New. Paperback. 53 pages. Dimensions: 8.8in. x 5.4in. x 0.3in. In poems of quiet force, Geri Doran maps the fragility of human connection and the irreducible fact of grief. From the communal ruptures of Chechnya and Rwanda to the personal dislocations that attend great loss, Resin weighs frailty against responsibility, damage against the desires of the heart. For the poet, a factory fire in late-nineteenth-century Portland becomes a tool for precise knowing: The phases of wood are a means of dead reckoning: burn what is built and gauge your passage by what is lost. Even in so quotidian an act as the planting of potatoes, Doran's sure, meticulous, and carefully calibrated lines reveal the intensity of our yearnings: What carried us from year to year was yield: potatoes in, potatoes out, like rowing. Various pliant, plaintive, passionate, intuitive, and serious, the voice in Resin tells how the natural world, in both its wildness and regularity, expresses and mediates human longing. You entered me like migraine, left like migraine a private vacancy. The darkness outside is great and wild. Blue plums falling from an old tree demand we believe in wildness, fallingness. What's the matter is memory, shrivel and tart. How in this sweet aftermath of everything the mind should settle on plums (blue plums!) is one of the mysteries. That God and my window-blinds should conspire to refract the light to look like plums. Out in the wild nothing. from Blue Plums This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
