# AWARENESS AND INFORMAL COMMUNICATION IN SMART OFFICE ENVIRONMENTS

Dr. H. H. Verlag Driesen Okt 2006, 2006. Taschenbuch. Book Condition: Neu. 19x12x cm. Neuware - Distributed teamwork gained significant importance within the last years. With team members collaborating from different locations, the role of workplace communication dramatically changed. Besides task-related communication, especially informal communication and awareness are important requirements for successful teamwork. While goal-oriented information exchange is widely supported by existing communication technologies, social communication is not. Carsten Röcker presents a novel approach for promoting informal interactions and awareness...

## Reviews

---

*This pdf is really gripping and interesting. We have go through and that i am confident that i will planning to read yet again once again later on. You wont feel monotony at at any time of your time (that's what catalogs are for relating to in the event you question me).*

-- **Miss Madisyn Gulowski**

*An extremely great publication with perfect and lucid answers. It really is writer in straightforward phrases and never hard to understand. You can expect to like how the author write this publication.*

-- **Michaela Cruickshank III**
