It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.END OF THE ROAD is a carefully crafted work of art with all the trappings of a well-told story. The characters are well defined so much so that by the time the reader gets to the end of the story, it would seem as if he or she had known them all their lives. From the first sentence of the PROLOGUE to the last word of the EPILOGUE, it is action, action and action with one thing leading almost naturally to the next, making it difficult for the reader to put down the book. Fully loaded with suspenseful and highly charged emotional moments, END OF THE ROAD is a vivid commentary on the interplay of the socio-economic, political and cultural forces in the Niger Delta region of Nigeria. In the end, one cannot help but empathize with the key character, Peter Ofene who finds himself on the wrong end of the stick of the interplay of forces. Free flowing dialogue carefully woven into a pattern of believable characters and graphic scenic descriptions combine to give the work a truly aesthetic quality. END OF THE ROAD is indeed loaded and will be a reader s delight any day. Peter s parents separate when he was barely six years...
