Brand New Book ***** Print on Demand *****.Sam and Evelyn live the American dream north of the Golden Gate Bridge. Their dream is shattered when Sam discovers his wife s secret-a secret that propels him down a path that violates his reason, his values, and his heart. As their once-perfect life unravels, Evelyn questions her decision to hide her past and struggles to make peace with the violence and death that were a part of it. In the hope of gaining full custody of their children, Sam searches Evelyn s past. His main focus turns to the murder of Evelyn s friends when she was sixteen-a murder some suggest she committed. The man Evelyn accused of the slayings makes Sam a simple offer: If Sam joins him and helps destroy Evelyn s life, he will make sure Sam gets the kids, wealth, and power. Mermaid Drowning is a timely look at the issues of gender identity explored through a powerful story of marital crisis and family upheaval, but at its heart it is far more. It is an intricate and thought-provoking look into the lies we tell ourselves, what it means to be family, and a love that defies the bonds of death.
