Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

(Lorenz Vandervort)

MURDER OF AN UNKNOWN

Lulu.com, United Kingdom, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: N/A. Brand New Book ***** Print on Demand *****.When a naked body is found in a room in a prestigious hotel in Edinburgh, and nothing is known about him except his name because his registration document has been stolen, DCI Ian Forsyth and DS Alistair MacRae are at a loss to know how to proceed until they learn that he had made arrangements to visit four firms involved in an export drive organised by Councillor Benson. When the head of one of the firms is also murdered, the pair are convinced that the killer suffered from a knife wound inflicted by the victim, but examination of all the suspects fails to reveal such a wound. After a disastrous attempt by the squad to root out the killer leads to a further death, Forsyth applies logical deduction to interpret a clue left at the scene by the victim, is able to explain the failure to find the knife wound and brings the case to a successful conclusion.
