Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: French . Brand New Book ***** Print on Demand *****.Excerpt from Un Ete en Amerique: De l Atlantique aux Montagnes Rocheuses Mais ma cabine etait retenue, mon passage paye, et au dernier moment je crus entendre je ne sais quelle voix d Amerique qui me criait: Go ahead! never mind! L Hibernian est un des trois paquebots de la Compagnie Allan qui partent tous les quinze jours de Liverpool a destination de Baltimore, en touchant a Saint-Jean et a Halifax. La meme Compagnie possede neuf paquebots qui font la traversee hebdomadaire de Liverpool a Quebec. C est, je crois, la seule ligne qui desserve a la fois les Etats-Unis et le Canada; elle permet ainsi au touriste de suivre deux routes differentes a l aller et au retour. Quel que soit l itineraire que l on choisisse, on y trouvera beaucoup plus d attraits que sur la ligne directe de Liverpool a New-York, suivie par les autres paquebots transe atlantiques. La route des paquebots de la ligne Allan est la plus septentrionale: elle est a deux cents lieues plus au nord que celle des lignes concurrentes. On a donc toujours chance d y rencontrer les banquises de glace detachees de la mer de Baffin, d y voir les ebats des baleines, d y contempler les aurores boreales frequentes dans les parages du Labrador, autant d incidents qui rompent la monotonie dune longue traversee.
