Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

DRAW PATTERNS WITH BARROUX

Blue Apple Books, United States, 2013. Paperback. Book Condition: New. 304 x 240 mm. Language: English . Brand New Book. Barroux s crackling-with-creativity activity book offers a hands-on way to recognize, copy, and create patterns. Kids will be firing on all cylinders as they fill in simple patterns like colored dots, then progress to more complicated and silly-smart patterns such as stripes - on a fox! Is pattern recognition an important developmental skill that contributes to mathematical cognition and problem-solving? It is! But it is much more fun to absorb when drawing an argyle-patterned scarf on a spotted giraffe, or a tangle of swirly snakes! Barroux supplies just the right amount of instruction and creative freedom for beginning artists, and kids who just want to see how a triangle, a curl, and a circle can become - hey, a mouse!.
